## Holy Trinity Parish Weekly News

10<sup>th</sup> October 2021 Twenty-Eighth Sunday in Ordinary Time/B

### Parish Mission Statement

*We, as members of Holy Trinity Parish, strive to be a community united in our Catholic Faith, and strengthened by prayer, worship and service. We accept our call to live out the Gospel of Jesus Christ, working to serve all with justice, peace and love, in the name of one God, Father, Son and Holy Spirit.*

### Pastor's Desk

In an age where many of us find it difficult to make ends meet, society is constantly presenting us with a set of values based on the need for material security. Our success is often judged by our material wealth, our chosen career and even the area we might live in. This fascination of wealth is pervasive and the person who possesses it often wants more.

But the wisdom that comes from God measures things differently and ranks power and wealth as nothing. We see this in today's gospel when Jesus encounters the young man. Although he went to church and observed the commandments Jesus recognises that his wealth could potentially destroy him. He is faced with the choice to give it all away and to follow Jesus. He obviously felt the price he was being asked to pay was too great and chooses not to. His sense of security was so bound up with his wealth he couldn't see the potential freedom that discipleship with Jesus offered to him.

Now being rich and having lots of money may not be our problem but all of us are invited to answer God's call 'Come follow me'. Of course, we are not all expected to drop our current path or direction in life. Our following Christ means making the best use of our present situation and placing the joys and the sorrows of our daily lives in his hands.

The call of Jesus is always to move the focus from ourselves to the needs of others. It is in that sharing with others that we receive him.
