

Dear Parent/Guardian,

First Communion & Confirmation Programme 2021-2022

I write to you as your child may be due to receive the Sacrament of First Communion or Confirmation here in Holy Trinity Church in 2022. In our Multicultural School environment, it cannot be taken for granted that every child is eligible (they were Baptised into the Roman Catholic tradition) or wishes to receive the sacrament.

If you wish your child to participate and receive either of the sacraments please click on the respective links below. We have enhanced our systems to support the delivery of the registration form, baptism certificate & registration fee to be 100% online, eliminating any risk for those involved in face to face contact & handling paper. However, as always we are here to support any parents who do not have access to the internet, electronic device or printer and you can call in to the parish office where Noreen or Anne will be happy to assist you in this regard.

In conclusion, I look forward to receiving your completed registration form and wish you and your family every blessing as you journey together towards this special day for you all. Each sacramental programme will commence with an enrolment day as follows:-

First Communion: Sunday 24th October 2021

Confirmation: Sunday 7th November 2021

(or the respective Saturday Vigil Mass @ 6:30pm)

With every good wish.

Yours sincerely,

Fr Gerry Corcoran Co-PP, Moderator
